**OSP Weekly Report**  
**Week of September 12 – September 16, 2016**

**Tire Crumb**

- Synthetic turf fields: The U.S. Army is continuing its collection of tire crumb samples from synthetic turf fields across the U.S.
- Manufacturing facilities: Tire crumb samples were collected from Ex. 3 [CERCLA section 104(e)(7)(42 USC 9604(e)(7))]  
Ex. 3 [CERCLA section 104(e)(7)(42 USC 9604(e)(7))] will permit sample collection at its locations. The research team is working to finalize agreements with additional manufacturing facilities to collect tire crumb samples.
